

STATE OF UTAH PLAN APPROVAL

**Permittees: U.S. Army Dugway Proving Ground,
U.S Army Program Manager for Chemical Demilitarization and Teledyne Brown Engineering
Dugway
State / EPA I.D. Number: UT3750211259**

Pursuant to the Utah Solid and Hazardous Waste Act, 19-6-1, et seq., Utah Code Annotated, 1953, as amended, and the rules promulgated thereunder by the Utah Solid and Hazardous Waste Control Board (Control Board), codified in the Utah Administrative Code R315 (R315), and pursuant to the Solid Waste Disposal Act (42 U.S.C. 3251 et seq.), as amended by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. 6901 et seq., RCRA) and the Hazardous and Solid Waste Amendments of 1984 (HSWA), a permit is issued to U.S. Army Dugway Proving Ground, Program Manager for Chemical Demilitarization and Teledyne Brown Engineering (hereafter called the Permittee), to operate a hazardous waste Research Development and Demonstration (RD&D) treatment and storage unit known as the Munitions Management Device version 1. The facility is located about six miles west of the main entrance to Dugway Proving Ground in Building 3445 at Carr Area.

The Permittee shall comply with all terms and conditions of this permit and of Attachments 1 through 11. The Permittee must comply with all applicable State rules, including R315-1 through R315-14, R315-50, R315-101, and as specified in the permit.

Applicable state rules are those which are in effect on the date of final administrative action on this permit and any self-implementing statutory provisions and related rules which, according to the requirements of HSWA, are automatically applicable to the Permittee's hazardous waste management activities, notwithstanding the conditions of this permit.

This permit is based upon the administrative record, as required by R315-3-24(d). The Permittee's failure in the application or during the permit issuance process to disclose fully all relevant facts, or the Permittee's misrepresentation of any relevant facts at any time, shall be grounds for the termination or modification of this permit, the initiation of an enforcement action, including criminal proceedings, or any combination of these remedies. The Permittee must inform the Executive Secretary for the Utah Solid and Hazardous Waste Control Board (Executive Secretary) of any deviation from the permit conditions or changes in the information on which the application is based which would affect the Permittee's ability to comply, or actual compliance with the applicable regulations or permit conditions or which alters any condition of this permit in any way. The Executive Secretary shall enforce all conditions of this permit which are designated in this permit as State requirements. Any challenges of any permit condition that concern State requirements shall be appealed to the Utah Solid and Hazardous Wastes Control Board in accordance with the Utah Code Annotated.

This permit is effective as dated and shall remain in effect for 365 operating days, or three years, unless revoked and reissued [pursuant to R315-3-15(a) or (b)] or terminated [pursuant to R315-3-16] or continued in accordance with R315-3-11(d) and R315-3-22(d).
